C-AL Members Plan Meetings

The Cucamonga - Alta Loma Woman's Club will hold a guest night dinner March 30, it has been announced by President Mrs. Ralph Santolucito.

She also announced a field trip to Orchid Gardens for the Garden Section Wednesday, March 16.

Also on the C-AL agenda is an April 5 trip by bus to Helms Bakeries of Los Angeles.

Success of the recent Sweeten Hall mortgage burning celebration was revealed at March meeting of C-AL when it was announced that 360 dinner tickets were sold. Cash gifts also came from Mrs. George Klusman, Edward Henderson, L. L. Foster and Pete Ramirez.

Proceeds from the fete will be used by the Woman's Club and Cucamonga Service Club to repair the roof of the Community Center.

Mrs. Santolucito, in highlight ceremony of the March meeting, pinned a corsage of red roses, the club flower, on Mrs. William Cooper, signifying presentation of a life membership to her.

Speaker was Lt. Arthur W. Brodeur of Norton Air Force Base. He urged that thought be given to preparation of underground shelters in case attack by an enemy nation. He described use of Conelrad and the air warning line of defense protecting the United States.

Guests at the meeting, which was decorated in a St. Patrick's motif, included Mmes Bob Crawley, Mary Ingalls, J.R. Dakin, Mary Catherine Atteburry and William Citala.

Meetings On Archibald To Continue

Continuation of regular monthly meetings has been decided upon by members of the Archibald Ave. Improvement Assn. of Cucamonga.

When some definite plan is approved by State and Federal authorities regarding the part the avenue will play in the future layout of by-passes, express-way and freeways, the influence of the association will then be used to approve or modify.

President Owen Feltham briefed the members at the March 7 meeting of the association as to the uncertain status of early improvements on Archibald Ave. He said the avenue's status is in the hands of the State and Federal authorities with the financial ability to carry through their decisions.

Present were Carl Brancaccio, Howard Clark, Hollis Guthrie, Paul Hofer Jr., Joe Valadez and Ben Vizio.

Bear Gulch Statue No Longer Bare

The 200 - lb. Cucamonga Bear Gulch bear is back on duty atop its sculptured base at Foothill Blvd. near San Bernardino Rd.

The cement animal deflected recently, turning up on the Claremont Men's College campus.

Mrs. Eva Sachs of the Ontario Parlor, Native Daughters of the Golden West, arranged for its return to duty.

The figure was erected in 1932 by the Native Daughters. It serves as a marker for a campsite used by the DeAnza-Fr. Font expedition from Senora, Mex., to Monterey.

$475,000 Sale Of Notes Authorized

O'Melveny and Myers of Los Angeles have been engaged in connection with the issuance and sale of negotiable promissory notes amounting to $475,000, according to action last week by the Chino Basin Municipal Water District Board of Directors.

For supervision of the proceedings, the bond firm will be paid $712.50 following the sale of the notes.

A resolution was approved by the directors authorizing Manager Howard F. Clark to negotiate for the service connection at Palo Verde and Ramona Ave. for the Chino Feeder. A check for $40,000, balance for estimated cost of the connection, was authorized for forwarding to the Metropolitan Water District.

Manager Clark reported that work had begun on the connection.

Manager Clark, Asst. Manager Lawrence A. Coleman and Counsel Henry Busch were authorized to attend the convention of the Irrigation Districts at Yosemite May 4-6. Messrs. Clark and Coleman were authorized to attend the American Water Works Assn. meeting in Monterey April 22.

Board members decided it would not be worthwhile to offer financial aid in an effort to speed up a study of the Chino Basin by the Dept. of Water Resources. The report with district aid would only be expedited by six months at the least and one year at the most, it was learned.

David P. Hershey, seaman apprentice, USN, son of Mr. and Mrs. Paul G. Hershey of 562 W. 18th St., Upland, returned to Long Beach March 4 aboard the destroyer USS Jarvis after a five-month tour of duty with the U.S. Seventh Fleet in the Western Pacific.

INSTALL NEW OFFICERS FOR VALLE VISTA'S PTA

New officers were chosen at the Thursday evening, March 10, Valle Vista P.T.A. meeting. Mrs. Robert Sutton, outgoing president, welcomed Mrs. Konrad Facknitz as the new presiding officer.

Others installed were Mr. and Mrs. Charles S. Miller, vice-president — Mr. Miller is professor of history at Chaffey College—; Mrs. Alan R. Forsythe, secretary; Mrs. James H. Wright, treasurer; Ms. Edmund DuVall, historian; Mr. Richard Bangle auditor; and Mrs. Rodney Arner, parlimentarian.

The meeting began with the Flag Salute given by Brownie Troop 51, followed by the devotional led by Mrs. John Gardner.

The new officers were then installed by Mrs. Boyd Laub, past president of Central School P.T.A., who gave each new officer a witty description of his office and clever hints for each.

The installation was followed by the Valle Vista band, under the direction of Miss Carol McMillan. Three selections were played, "Warming Up," a march; "Swinging Shepher Blues" with a flute solo by Annabeth Gardner; and "Tammy."

Michael Malone, professor of English at Chaffey College, gave a lecture on "The English School System."

Following the evenings proceedings refreshments were served by the fifth grade mothers.

Youth Feast Sunday

A fine group of ladies who make up the Women's Auxiliary of the Cucamonga District (Alta Loma, Cucamonga, Etiwanda and Guasti) Youth Association are seeking to provide the necessary funds for developing finer, stronger and happier future men through supervised competitive athletic games.

Presently they are channelling their resources into the annual benefit breakfast which this year is scheduled for Sunday, March 20. Site of the fete will be Cucamonga School, 8677 South Archibald Ave., with serving hours being from 7 a.m. to 11 a.m.

For a 50 cent donation donors can have plenty of pancakes, brown-n-serve sausage and coffee or milk. Syrup cream, butter and sugar will, of course, be available.

Sunday's event will be a co-ordinated effort on the part of the Auxiliary, with the lead having been in the hands of Eola Gaunt, Edith Browne and Pat Hughes, President, Secretary and Ways and Means, respectively, of the organization.

History tabs Sunday's breaking of the bread a success, but the Auxiliary is more interested in last year's profit of $747 to the youth program. They have been selling tickets and keeping their fingers crossed as if they intend to eclipse the record $2579 realized by the Auxiliary in 1959.

Breakfast tickets may be obtained from the following:

ETIWANDA: - Mrs. Spencer Nordyke, 13252 Highland.

CUCAMONGA - Mrs. Rodney Arner, 8207 Tapia Via; Mrs. Anton Blatnick, 9514 Arrow; Mrs. Louis Weldon, 8256 Burgundy; Mrs. Glen Miller, 8442 Via Ladera; Mrs. Paul Makabe, 8606 Comet; and Mrs. E. L. MacIntosh, 9666 San Bernardino Road.

PTA Hears Of System Used By English

A lecture on "The English School System" was given by Michael Malone, professor of English, Chaffey College, at the Thursday evening, March 10 Valle Vista P.T.A. meeting.

Mr. Malone began his lecture with a brief outline of the English school system and then answered questions.

Approximately one per cent of the children, who begin formal schooling at age five, go on to a college or university. This does not include those who are fortunate enough to go to private schools, Mr. Malone said.

The schooling the English children receive between the ages of eight and 11 is mostly concerned with English and arithmetic, and time allotted each week for physical education.

Mr. Malone ended his formal lecture by stating that, considering the statistics involved, the American school system is superior because of its contact with and opportunities for so many more individuals.

After having graduated from the University of Sheffield, Mr. Malone was a pilot in the R.A.F. during World War II. He came to America in 1948 and did post graduate work at the University of Louisville before coming to the West End. Mr. Malone is now taking graduate work at Claremont graduate school.

Annual Work Project Set

The Upland College student body is planning its annual work project. Under the direction of Jim Engel, chairman of the project, plans are being made to raise $1000 in the two-day activities scheduled for April 7 and 8.

Annually the students and faculty join hands to raise money for designated projects. The students contribute all the money earned for a specified purpose. Previously the students have raised enough money to lay a new floor in the gymnasium, purchase new dining room furniture, buy student lounge equipment, and several other annual projects.

The students are soliciting job appointments at this time. Anyone interested in employing an Upland College student for a variety of jobs may call the college at YUkon 2-4607, YUkon 2-7078, or Mr. Engel at YUkon 2-1718.

Highlander's Cees In Track Triumph

Tri-County League action opened with a dismal start for the Upland High School track and field teams as they were beaten in two of three classes. The league opener was on Claremont High's track Friday, March 11 against Claremont.

Only victorious team for the Highlanders was the Cee spiksters, taking a 48½ to 28½ edge over host Claremont.

All but one victory for the Cees came in field events, with Don Horton taking the broad jump and the pole vault, Epi Lara outdistancing opponents in the high jump, and Upland sweeping the shot put with Dave Medal taking first place honors for the Uplanders.

Losing by a 8 2/3 to 32 1/3 margin was the varsity spikesters who picked up but four of 12 first places. Missing was the service of J. D. Heath, standardbearer of UHS's shot put record, as the Wolf Pack copped all three places in this event.

A promising Plaid Bee squad fell on the short end of a 58-37 tally, as they took only two first places, but were strong in the finishing brackets.

Taking honors for the Bees were Ray Herrara in the 1320 and Chuck Benninghoff in the 70 high hurdles.

UHS Edged 3-2 In San Berdoo Game

Upland's baseballers went down in defeat for the second time of the season as San Bernardino High School posted a 3-2 win over the visiting Highlanders March 11. The winning run for the Cardinals was not attained until the last inning.

Losing pitcher for the visitors was Lynn Rogalis, pitching his first game of a possible three year varsity career. Winning hurler was Dave Arias of San Berdoo.

With two men on base, Tom Solters flied to right, the ball was playable but an error on the part of San Bernardino allowed two runs for Upland.

Winning run for San Bernardino came as the pitcher Lynn Rogalia balked home Ray Harris, who had gotten over to the 'hot-spot' on the game's only triple.

Doubles Win Baseball Go For Upland

Third inning back-to-back doubles delivered by Tom Solters and Jim Lail was necessary as the Upland High School varsity baseball team recorded its second triumph, vanquishing Colton by the score of 4-0.

Lail, an El Rancho transfer, emerged with two hits in as many at bats, driving in two more runs the following inning for a total of three.

Solters and Bob Young each pitched three scoreless frames with Clark Corpe hurling the last. The trio outdid as many rival chuckers although the Yellowjackets collected more hits than the Highlanders.

Coach Bill Wolfe's Uplanders kept opposing moundsmen on edge with an average of three men trooding the paths per inning. Playing at home (Memorial Park), Upland displayed flawless fielding during the day's action.

Better Adults, Better Kids

Much has been said about the spectacle of youth today.

But for a change let's look at the spectacle of adults as illustrated in three incidents that came to our attention this past week.

ONE: The chairman of the Upland Safety Council said, in part, in a letter discussing adult attitude on the sidewalk problem:

"I sometimes wonder what happens to the thinking of people when they get along toward my age (nearly 60) to change little children from nice boys and girls to 'little monsters' who disturb the peace of a neighborhood by playing on the sidewalks (where there are any?).....

"In conclusion, I certainly hope that residents (especially children) will not be relegated to alleyways along with the garbage cans and trash piles commonly found in such places....."

TWO: A church member pointed out to us that some facilities and equipment financed by all members, was being denied to youthful groups within his church.

It seems the segment who did the work of sponsoring certain fund - raising projects feel they acquired a type of "ownership" and the right to refuse young people's participation. They didn't want the youngsters using "their equipment" because it might be damaged.

Yet these youngsters are the flower of the church, trying to follow the ways the church teaches.

THREE: We would like to quote the following letter which appeared last week in the Claremont Courier, our neighboring community newspaper:

Dear Editor:

As a sophomore at the Claremont High School I have become rather fed-up with the inclination of some adults to generalize about all youth or "teen-age" boys and girls. It seems only mere common-sense to me to realize that there are all sorts of "teen-agers" just as there are all sorts of adults and that you can't generalize any more about youth than you can adults or old-age.

My ire has been aroused this time by an announcement that Mr. James Higginbotham, the director of the Claremont Parks and Recreation Commission, has proposed the organization of an adult advisory council composed of unpaid volunteers to work under the supervision of the parks and recreation department and provide wholesale social, supervised activities for youth. Also, "the council would strive to implant in teenage boys and girls of this city the ideals of wholesome recreation, good citizenship, honesty, loyalty, courage, reverence and social acceptance." Mr. Higginbotham said. Council membership would consist of persons nominated from the following organizations and appointed by the park and recreation commission chairman: Rotary Club, Lions Club, Kiwanis Club, Junior Chamber of Commerce, Junior Women's Club, American - Legion, Junior High - PFA and High School PFA. They would meet once a month.

I resent the entire program or idea and I have too many objections to write them all in one brief letter. But I will try to put down a few of my "gripes" working backwards.

What good can a group do that meets only once a month in an extensive and complicated project of this type?

I realize that the business men's clubs that are mentioned are so-called service clubs. But although we are only students in high school we can read and we are not naive. We have studied history and we know that it is a fact that most of the activity of these service clubs lies in eating lunch together and listening to speakers who will tell them only what they want to hear. These service clubs are notortious for the fact that they are always looking for some trouble-free, innocuous, little public service that they can render that won't be too expensive and take up too much of their time or become controversial in any sense whatsoever. Such as distributing litter bags to motorists and etc. However you never find them involved in any major social service that would require each member to dig into his own pocketbook. This would be another opportunity for them to get more free front-page publicity of the valuable institutional - good - will type.

Why aren't the labor unions represented on this recommended Council panel? It seems to me that they might have a great deal to contribute to any youth group.

Finally, I think some of the terms used should be defined, carefully and exactly. What is wholesome recreation? Corrupt, commercial, mass spectator sports such as baseball, basketball, professional football, horse-racing, wrestling or boxing?

Who decides what is "good citizenship"? Name a "good citizen." There isn't a single person in the United States that I haven't heard criticized at some time or other in the most serious manner. Even President Eisenhower has been accused by a high official of jeopardizing our nation's security. Is that being a "good citizen"?

"Honesty" What is honesty? Who is honest, when, where, how and for how long? Does "honesty" have anything to do with ethics and morality? Then what about the code of ethics of TV Quiz Programs? And is there a single activity in our nation that isn't guided by this same code of ethics?

"Loyalty." Loyalty to whom? When, where, why what for and for how long? Loyalty to the Democratic political principles and philosophy or to the Republican principles?

"Reverence." Reverence for what or whom?

"Social acceptance." Social acceptance of what or of whom? Of the social, economic and political status quo?

I think the last statement is the one that is the greatest insult to the intelligence and character of youth. We are asked and expected to accept this most horrible and disgusting mess left to us as our heritage by the previous generations. Can there be anything more loathsome and disgusting than the present situation in the world?

I recommend and suggest to the adults that they stop worrying about us and start worrying about themselves. Let them waste no more time on silly, ridiculous and ineffectual committees, or councils that are empowered to do nothing but talk. Instead let them set an example to us by their daily lives. Let them practice what they preach. A "good citizen" in my opinion is one who is kind, generous, merfiful and peace-loving; who does not resort to violence and war; and who does not believe that "two wrongs make one right" or that "the end justifies the means."

Commission 'Sense' Cited By Planners

The "sense of the commission" in regard to provisions for 10 ft. passage between buildings on the same lot was interpreted by the Upland City Planning Commission recently.

Guidance on the subject was requested by City Building Official Richard Derby

The commissioners agreed that all that is required is a 10 ft. wide pedestrian way to the rear. Gates and decor are not prohibited and interior sidewalks do not have to be 10 ft. wide.

In other business at the planning session Thursday, Feb. 25:

A rezoning from agriculture to residential, 10,000 sq. ft. was approved for a 13-lot subdivision at 16th St. and Aster, provided lots facing on 16th St. number three instead of four. This compromise was made after protests by three property owners across the street from them at the jump from 10,000 ft. lots to 20,000 ft. Zone change application was made by Roy H. and Ray Person Jr. of Wilson Ave. near 20th St.

Tentative tract map for 11 lots between the San Bernardino Freeway and Seventh St., midway between Sultana and Campus Aves. was approved after agreement on conditions. The tract is owned by Paul Bleiler, Ontario.

Planning adviser Lyle Stewart described the deep lots of the tract as a "problem area with frustrating points." He applauded Mr. Bleiler for "assembling the land from a multiplicity of owners" and enabling the city to remove the area from problem status.

"This is the first time I ever saw it done in similar situations," Mr. Stewart declared.

House movements were approved for John E. Hall, 742 Winn Dr., and A. A. Ortiz, 153 Ninth Ave.

Site plans were approved for Mike Elardi, 416 W. Arrow Hwy., on 12 units, and John Vellis, 1655 N. Euclid Ave., on 13 units.

Mr. Stewart advised the city planners that the Administrative Committee can handle cut and dried planning matters to "cut the clutter off and the planning agenda."

340 Attend Assistance League's Spring Fantasy

Approximately 340 people attended the Assistance League of Upland's "Spring Fantasy" recently at Red Hill Country Club.

A white picket fence with banks of fruit blossoms behind it formed a path to the front door of the club. Guests were given pink camellia corsages as they entered. Daisies made with styrmfoam centers and foil leaves were arranged in the foyer and the main room. Large foil butterflies were hung in graceful groups from the ceiling. Around the bandstand another white picket fence covered with ivy and blossoms was arranged. Each table had an arrangement of candles and camellias in the center. Balloons were hung from the lounge ceiling and fruit blossoms filled every corner.

Mrs. Lyman Scheel and Mrs. Jack Pierce were co-chairmen of the dance. Their committee included: Mmes. Lewis Gillette, Nor Max Maxwell, Wendell Prough, Rene Biane, Thomas E. Clelland, John Cooper, Jack A. Jones, Logan Locke, Hurley Robinson, Charles Vath, Leland C. Scheu and Fred Gattas.

Proceeds from the dance go into the Chapter House Fund.

SCAM SAYS--

We've been taking so much Vitamin C lately, it even comes out in our name. Supposed to be good cold prevention.

Which Reminds Us——
A man watched his neighbor put in a new lawn and, as a finishing touch, spread a white powder. Two weeks later, he spread the white powder again. Curious, he asked his neighbor what the powder was and was told it was an Elephant Repellant. He exclaimed, "Why man, there isn't an elephant within a hundred miles of here." The neighbor proudly replied, "Pretty effective, isn't it?"

We assure you that if Vitamin C or Elephant Repellant would improve our washes, it would be used in our "Wear Longer" formulas. We are constantly seeking tested products and techniques, which can be applied to our operations and deliver a superior product to our customers. You, yourself, can be the best judge by the look and feel of your laundry.

We read about a trial recently, in which a flock of psychiatrists appeared with conflicting opinions. We feel that anyone who would go to a psychiatrist should have his head examined.

Exhibit Here Until April

Reflecting the taste of a cross section of Upland residents is an art exhibit in a new location at Ninth St. and Second Ave., Upland.

Under the sponsorship of the Chaffey Community Art Assn. and with the cooperation of the First National Bank of Upland, this exhibit and future exhibits will be shown for the viewing pleasure of art lovers in this community.

"Collectors Choice" is the name given to the group of nine paintings on display. Individually, they are: "Italian Madonna" loaned by Mr. and Mrs. Edwin L. Wickstrom; "Young Genius" loaned by Mr. and Mrs. Forrest Doucette; "Pacific Ledge" and "Snow Fence" loaned by Mr. and Mrs. George Whitney; "Rural Scene" loaned by Mr. and Mrs. Howard Mason; "Old Cucamonga Ranch House" loaned by Mr. and Mrs. Philip White; two lithographs "Western Equestrians" loaned by Mr. and Mrs. Walter Moffit, and a water color, "The River" loaned by Dr. and Mrs. John Craig.

This exhibit should be of special interest to the many people, young and old, who are beginning to collect paintings as well as those who are adding to their present collections.

The various ways in which the pictures have been acquired — some by purchase, some by inheritance or as gifts and others through plain good fortune — may account for the fact that the exhibit is conservative in style.

Also of interest, the pictures are being lived with and enjoyed, each day in the homes of the owners.

Through the courtest of the lenders, this exhibit will be on display until April 1.

Upland Correspondent Relates Olympic Story

(This is the first in a series written exclusively for the Upland News by Reed Hansen, who was sent by the Examiner and Thomson Slack Co. to the VIII Olympic Winter Games at Squaw Valley as a UPI Teenage Correspondent.)

by REED HANSEN (SSA—PRESIDENT)

Plane trips are interesting—especially if they are your first. Traveling by United Air Lines from Los Angeles International Airport at 7 a.m. on Feb. 17, I arrived in Sacramento about 8:50 am. after flying at 14,000 feet most of the way up. It was 38 degrees in Sacramento but we didn't get out of the plane.

We took off from Sacramento at 9:10 a.m. and enroute to Reno, we took a breath-taking "twist" over Squaw Valley. Mr. Hopkins and I (Mr. Frank O. Hopkins is principal of Brea-Olinda high school and is the head of the Olympic Committee of the Examiner—he was my chaparone) found this very exciting.

While he was trying to take pictures from the plane's window, I was trying to get a good look at the Valley from the other side of the aircraft. For about five minutes, we circled the Valley but all we could see was the speed skating oval and the Arena—all other facilities were too faint to observe.

Start Shivering

Landing in Reno 9:45 a.m., we entered the air terminal—shivering. It was 21 degrees there. We got our luggage and secured a bus to the Valley—we thought. Driving up to Reno, we picked up other passengers and it got so crowded that another bus was needed, a larger one. We changed amid much confusion and grumbling from the other reporters who were on hand.

One scribe, a fellow from the Milwaukee Journal had changed busses four different times and was so eager to get to the Valley that he almost forgot his typewriter and luggage in his frustration. There was a method in his madness. The bus opened up for Squaw Valley!

It was about 11:30 a.m. when we rambled into beautiful and spacious Squaw Valley. Everything looked bustling and I felt out of place just standing there watching. I met Hal Wood, director of West Coast operations, UPI, and Leo Peterson, national director of UPI. They were very busy.

A lunch in the press canteen satisfied our hunger and for 12 days it was a lunch of either hot beef or hot ham sandwiches. You liked it though and lack of choice didn't dampen your spirits about food. Anything was good after being "left out in the cold" for some length of time each morning.

Beautiful Setting

Eager to see where we would spend our nights for the next 12 days we left by bus early that afternoon for Nevada Lodge, Crystal Bay, Nevada, on the north shore of Lake Tahoe. You never saw a more beautiful setting.

Pine trees studded the shore of Tahoe, which I think is one of the "bluest" lakes I have ever seen. You can look across the lake and see lights in the distance as the sun is setting in an orange hue in the west. It was clear as a bell and the water looked like glass, shimmering in the late afternoon sun.

After checking in and getting our room straightened out in a fashion which was to reach "mussed up" heights in the next dozen days, we ventured to the coffee shop adjacent to the "one-armed bandits" and the spinning roulette wheels.

It was Nevada all the way. Everybody gambles. It's a sight to see all those people engaging in such extra-curricular activities seeking excitement

However, I managed to gain some fun by watching these partipants defeat themselves. The Nevada Lodge was the official press headquarters. Most of the reporters stayed there in the cabin setup but some stayed in the Mapes in Reno and some stayed at the Squaw Valley Lodge.

Hectic Situation

The Nevada Lodge is 18 miles from Squaw Valley. Reno is about 30 miles from it. We had to travel by bus each day and it was hectic sometimes. One day, the first Sunday I think, it took us two hours to get to the Valley and two to get back to the Lodge. If you've ever ridden a bus you know what it is to sit there and survive such a crisis, 18 miles in two hours!

It was a wonderful first day — a day of anticipation which turned out to be a huge success. Excitement was high and on the morrow the games would open. We went to bed early and with many jumbled emotions, we looked forward to the forthcoming events and the opening of the VIII Olympic Winter Games.....

(Next week: Opening ceremonies and layout of the Valley in general.)

Upland College Softball Slate

All home games will be played in the Upland Memorial Park.

Sports

Chuckful Of Sports

By Chuck Benninghoff

One of Upland's minor sports, tennis, has been going full blast under the coaching of Jerry Bell. The squad members won their first three matches of the year from Azusa, La Puente and Colton. Number one singles spot is held down by junior Marcy Guzman, while the second spot is under the domain of Ray Brown. Brown also shares number one doubles with Dan Robinson. Both are seniors.

The horsehide picture looks good for the Upland diamond men as they sport a 3-2 record for the still young season. Picking up a big win at the cost of Colton, plus a setback at the hands of San Bernardino High School, is enabling the Highlanders to get into shape for TCL action, plus the non-league "biggie' against Chaffey.

Of all the teams patronized by Uplanders, Coach Jim Stewart's tankmen have the finest record and the finest year - after - year showing of them all. The varsity natators have won most of all their meets in the last one or two events on the slate showing power that could well put them in the lime-light of the CIF picture.

The aqua-babes, Bee and Cee squads, are also quite outstanding, with the Bees winning six straight and the Cee having won their 16th straight meet of two seasons with a 65 point margin over Rosemead; adding another medal to their already fine collection.

Putting the icing on the cake, the track squads at Upland have been facing easy opponents and tough opponents, with Claremont the toughest of them all. Outstanding athletes for the spike squads are Don Hinman (a surprise for the Cee division) Sergio Estrade (new holder of the mile record), Steve Flemming (brilliant in the 440 and the 880), shot-putter J. D. Heath (checking in distances that could very possibly win the league for him and the Highlanders.)

"Now is the time to work more strongly than ever for European unity through MRA. A Europe in which freedom and brotherhood should reign can only be created when nations are mutually conscious of their moral responsibility. UHS Candidate For Youth UN Revealed

Sandra Baumgart is the 1960 candidate of Upland High School for the Oddfellow's Annual United Nations Pilgrimage for Youth. Ragna Olausen was named alternate by the committee of judges composed of members of the administrative staff at UHS.

All contestants completed an experience sheet and submitted a written examination in their effort to win a coveted place on the bus that will take the winners to the United Nations Building in New York City next summer.

Sandra is the daughter of Mr. and Mrs. E.W. Baumgart, 1533 Columbine Way, Upland; and Ragna is the daughter of Mr and Mrs. Fredrik Olausen, 312 Aster St, Upland.

Sandra lists as her favorite studies, U.S. History, leadership, speech, and French. Ragna prefers foreign languages, history, and mathematics Both girls are officers of a number of campus organizations, and are active in community and church affairs.

As school winner, Sandra will compete with other school winners in a speak-off in the near future. From this group of contestants an area winner will be selected, who will then compete in a regional contest — and the regional winners will join those from other states in the Pilgrimage.

Carlos Ynostroza, UHS senior, was a regional winner last year, and toured 23 states and parts of Canada, visiting visited Washington, D.C., and many national shrines. He visited Washington D.C. and historical spots in New England and Virginia.

The highlight of the tour is the visit to the United Nations in New York City. Approximately 700 students from schools all over the country will go on the all-expense paid trip sponsored by the Oddfellos and Rebekahs lodge.
